Mr. Andy Koster  
Executive Director  
Brant Children's Aid Society  
70 Chatham Street  
Brantford, Ontario  
N3T 5R7

Dear Mr. Koster:

We are pleased to enclose the Accreditation Summary Report and Agency Response from your agency's most recent accreditation.

Congratulations to you and all Board members, staff, foster parents and volunteers at Brant CAS on your agency's successful accreditation. On June 1, 2008 the OACAS Board of Directors granted your agency full OACAS Accreditation.

To be accredited is an accomplishment in itself but to maintain that accreditation status through three consecutive site reviews, as your agency has done, places the agency in a special category. As you know there is only one other agency in the province that has accomplished this through the OACAS Accreditation Program.

Your commitment to ongoing quality improvement is most commendable.

We wish you all the best.

Sincerely,

Gail Vandermeulen  
Director of Standards and Special Projects
